Something missing or run at another hall that you would like to see here in Rowledge? Please e-mail Richard details and ask the course organiser to contact him. We want to help groups start and be successful. This might be the chance to expand an interest you already have and share it with others. There seems to be a gap for those in their 50's.

**There are time slots available and the front hall and large hall can be hired together or independently.**

## CHILDREN

A friendly and caring environment for children aged 2½ up until school age. We use the main hall and outside area at Rowledge Village hall every weekday morning from 9.15 am - 12.15pm. Our aim is to produce happy, confident and independent children who will be prepared for their entry into school. We provide a safe, happy, caring and stimulating learning environment and treat children as individuals and encourage them to develop and learn through carefully planned play. We provide varied activities, equipment and have a good adult/child ratio. We follow the Early Years Foundation Stage (EYFS) which is a structure of learning, development and care for children.
